

# Join our Young Adult Advisory Board

Are you a young adult aged 18-25 with lived experience of the criminal justice system?

If you have had experience of arrest, courts, prison, probation, or parental imprisonment, we want to hear from you.

The Transition to Adulthood (T2A) programme is looking for a group of young adults to inform the direction and delivery of our work to transform justice for young adults.

You will be paid for your time.
